One Day Workshop on "Embedded Systems and IOT"

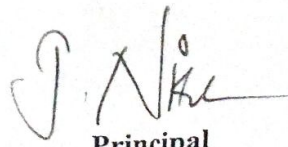

One day workshop on "Embedded Systems and IOT" will be conducted for the students of Electronics and Communication Engineering under Continuing Education Program (CEP). The details are given below.

Date : 29.08.2023
Time : 10.00 am – 04.00pm
Resource Person : Er. HAJITHA BANU.H,
Embedded Specialist,
JADAYU Enterprises,
Thanjavur
Title : "Embedded Systems and IOT"
Venue : EDC Lab

"ALL ARE INVITED"

Head of the Department / ECE
Parisutham Institute of Technology & Science
Thanjavur - 613 006,
Tamilnadu, India

IQAC Co-ordinator
Dr.R.GANESH, M.Tech., Ph.D.,
Co-ordinator - IQAC
Parisutham Institute of Technology & Science
Thanjavur - 613 006,
Tamilnadu, India

Principal
Dr.J.NIRMALA, M.Tech., Ph.D
Principal,
Parisutham Institute of Technology & Science
Thanjavur - 613 006
Tamilnadu, India

Department of Electronics & Communication Engineering

PITS Alumni Association (PITSAA)
Alumni Talk Series

A Virtual Talk will be conducted for II, III & IV Year students. The details are given below.

Date : 15.09.2023
Time : 10.00 am – 12.00 Noon
Name of the Resource Person : Er.M.PRATHIUMANAN
Software Engineer,
HCL Technologies,
Chennai – 600 119
Title : “Career Guidance in Software Technologies”
App : Google Meet

“ALL ARE INVITED”

IQAC Co-ordinator

Dr.R.GANESH, M.Tech., Ph.D.,
Co-ordinator - IQAC

ORGANIZING COMMITTEE

PATRON

Mr. S.P.Anthonisamy M.A., B.L
Chairman

CONVENOR

Prof. Dr. J. Nirmala, M. Tech., Ph.D
Principal & Dean/Academics

CO-ORDINATORS

1. Mrs. A. Sujatha Priyadharshini, M.Tech., (Ph.D)
Assistant Professor
Department of Electronics and Communication Engineering
2. Mr. K. Santhosh Kumar, M.Tech
Assistant Professor
Department of Electrical and Electronics Engineering

CONFERENCE TOPICS (not limited to the below mentioned topics)

Department of Aeronautical Engineering

- Autopilot System
- Vehicle Tracking
- 5G in Aviation Market

Department of Civil Engineering

- AI in Risk Reduction of Accidents
- AI in Risk Control

Department of Computer Science and Engineering & IT

- Cyber Security
- Mining Operations
- Augmented Reality / Virtual Reality

Department of Electronics and Communication Engineering

- Network Slicing
- Wireless Cloud and its Application
- Energy Efficiency Gain in 5G Wireless System

Department of Electrical and Electronics Engineering

- IoT Based Power Monitoring System
- Connected Devices and Smart Homes
- AI in Renewable Energy

Department of Mechanical Engineering

- Industrial Robots
- Machine to Machine Connectivity

A

ONE DAY

NATIONAL CONFERENCE

on

“Envision on 5G in AI, IoT
&
Cloud Computing Applications”

28th March 2024

Organized by

Department of Aeronautical, Civil, EEE, ECE, Mechanical,
Computer Science and Engineering & Information Technology

PARISUTHAM INSTITUTE OF TECHNOLOGY AND SCIENCE

(NAAC 'A' Grade Accredited Autonomous Institution)

Thanjavur - 613006, Tamil Nadu

fb - PITS Tanjore

“LET US EMBRACE THE FUTURE WITH 5G”

ABOUT THE INSTITUTION

PITS is an AICTE approved, affiliated to Anna University, Christian minority, NAAC 'A' grade Autonomous Institution. PITS provides technical education in the field of Engineering. To enhance the skill of the learners, PITS focuses on research based teaching pedagogy. The Institution organizes several Seminars, Invited talks, Workshops, Symposiums, National and International conferences, Project - Based Technical Events, to nourish the inventive capability of students.

ABOUT THE CONFERENCE

In an age defined by connectivity and digital transformation, 5G stands at the forefront, heralding a new era of possibilities. Only through collaborative efforts and innovative solutions, every technology accomplishes its maximized purpose. Conf Call '24 - A National Conference on "Envision on 5G in AI, IoT and Cloud Computing Applications" aims to provide a platform which brings researchers / scientists together to share their novelty and globalize their research work, while the participants from industry can promote their products and thus facilitating spreading of knowledge. The conference focuses to harness the collective intelligence gathered to unlock the full potential of 5G technology which pave the way for a future where connectivity knows no bounds and possibilities are limitless.

INSTRUCTIONS FOR PAPER SUBMISSION

Original papers are invited from Academicians, Scholars, Students and Industrialists. Full text format in MS - Word, Times New Roman, Font size 12 points, not exceeding 6 pages, including Tables, Figures, Illustration and References should be submitted. All the papers will be screened and reviewed by a technical review committee.

DETAILS OF REGISTRATION

All the candidates must register their participation through the registration link before the dead line. The selected candidates must send their full paper to the Email-ID pitsconfcall24@gmail.com

- Only one or two authors will be permitted to present the paper during the conference.
- Registration charge will be Rs. 500/- for each.
- Additional certificates will be provided for co- authors @ Rs.50/- per certificate.
- Certificate to the Supervisor / Guide will be provided on submission of request letter duly signed by the respective HoD.

REGISTRATION LINK

<https://forms.gle/qHJgaGewm4yoKxqp6>

DETAILS OF PUBLICATION

The selected papers will be published duly after peer reviewing process in International Journal of Engineering and Research Technology (IJERT). For highly reputed journals (SCOPUS/SCI/SCIE) additional charges will be claimed on request to the Co-ordinators.

DATES TO BE NOTED

Last date for registration & Submission of abstract (not exceeding 300 words)	: 5 th March, 2024
Intimation of paper selection	: 8 th March, 2024
Full paper submission	: 16 th March, 2024
Last date for payment	: 18 th March, 2024

DETAILS OF CONTACT

For further queries contact the Co-ordinators
